## **Office managers: The 2nd highest paid position in the lab**

With an average overall hourly rate of \$16.30, office managers have the second highest paid position in the laboratory; the first is—you guessed it—the all-around ceramist at an average hourly rate of \$18.14. Here, by years of experience, are the average hourly wages for laboratory office managers:

0-2 years' experience	\$11.39
3-5 years' experience	\$14.73
5-10 years' experience	\$18.02
Over 10 years' experience	\$21.05
