

Owner's gross personal income in 2000 versus 2004

The red bars indicate laboratory owners' gross personal income in 2000; the blue bars show their 2004 income (data from **LMT**'s *Trends 2000* survey and our *2004 Fee* survey). Note that the percentage of respondents earning over \$100,000 has increased from 14% to 21% in the last four years.
